

Bangladesh Delta Bulletin

This newsletter contains short messages, news and announcements, with the objective to share knowledge and experience related to adaptive delta management and the implementation of the Bangladesh Delta Plan. It is prepared by the Delta Alliance, as a pilot for information sharing, on quarterly basis. Your contributions are very welcome!

In this 2nd bulletin you will find messages about various recent events, the signature event of the Joint Cooperation Programme, training and news on recent papers. Thanks to DABW, JCP, Delta Forum and DeltaCap for their contributions to this bulletin.

1. Joint Cooperation Program signed

In June, innovative applied research collaboration program between CEGIS, IWM, Deltares and WUR was launched. [More information](#)

2. Polders workshop

With the objective to share knowledge and experiences on hydrodynamic modeling at polder level, a workshop was organized by BUET, IWM and Deltares on 19th June 2019. [More information](#)
