

Bangladesh Delta Bulletin 13

This quarterly newsletter contains short messages, news and announcements, with the objective to share knowledge and experience related to adaptive delta management and the implementation of the Bangladesh Delta Plan. Initiated by Delta Alliance, DA actively cooperates with JCP, Delta Forum, UDW-Planning Toolkit, Delta Research Initiative. The editorial team **welcomes contributions!** In this 4th bulletin of year 4 you will find messages about various recent events and trainings and news on recent papers.

Thanks to all who contributed to this bulletin!
